

Building Value Together

Investor Relations • Capital Markets Advisory • Business Strategy • ESG

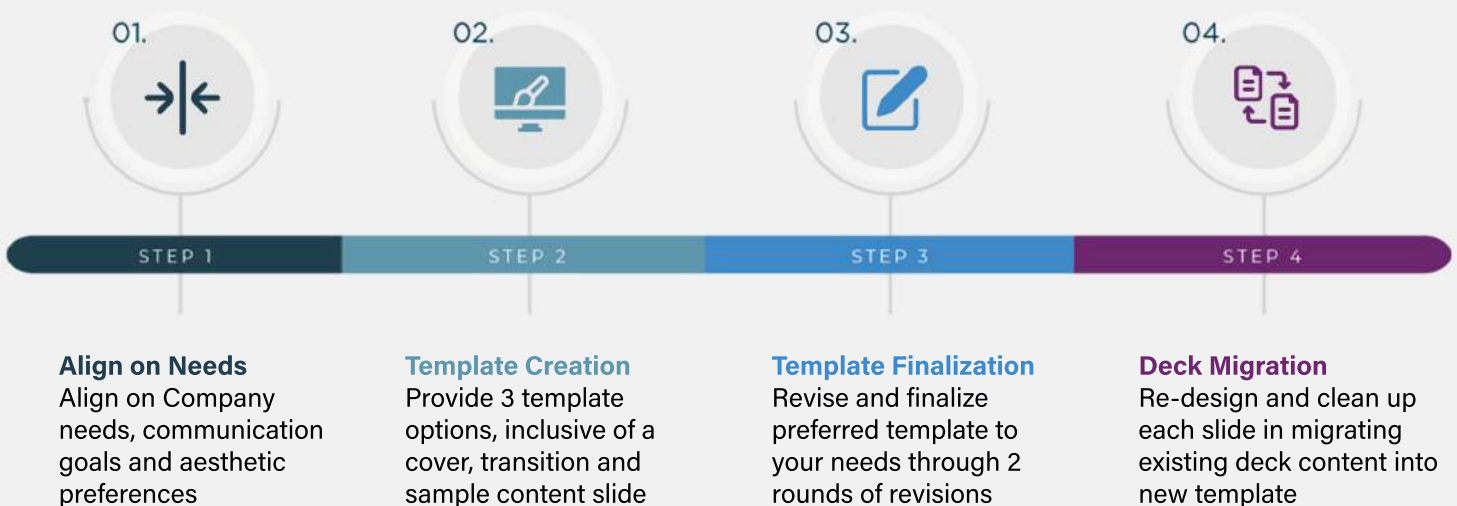

Presentation Templates & Deck Design

- Gilmartin’s in-house presentation designer will work closely with your account team to deliver an effective, engaging and on-brand presentation.
- We combine our deep experience in investor communications with our expertise on your story
- Create clear and compelling presentations that bring your message and strengths to life.

Work Samples:

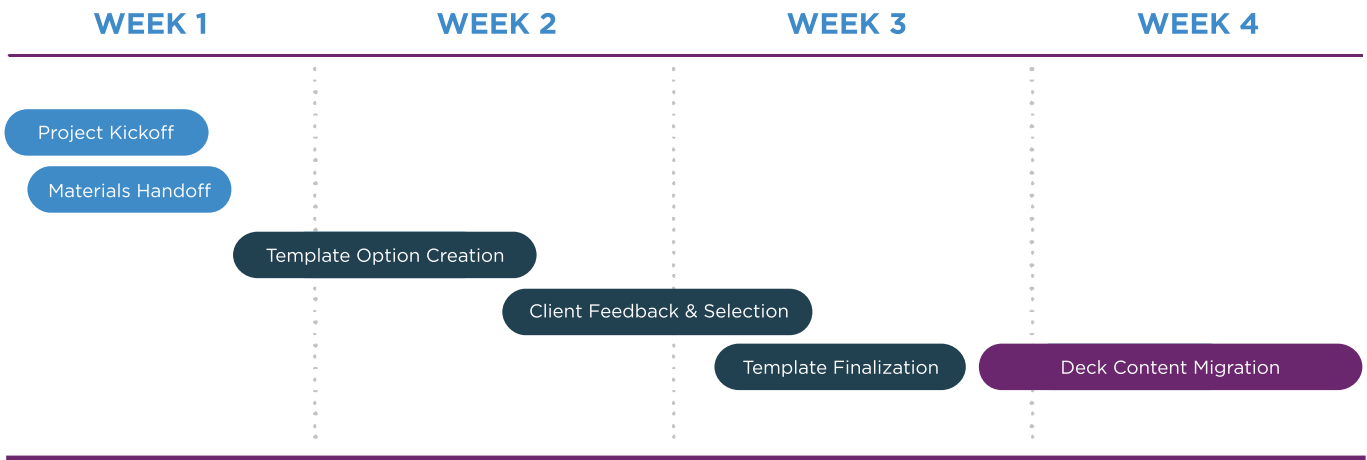

The Process

Timeline

- Template creation and slide revamp projects span a time frame of two to four weeks from kickoff to end product.
- Timelines are dependent upon scope of work, number of slides and turnaround times on design feedback.
